Japan Institute of Plant Maintenance

Event Overview

This is an exclusive, high-caliber gathering featuring **TPM Awards assessor** and **leading companies that are driving TPM initiatives in India**. Beyond traditional approaches, the evolved form of TPM serves as a foundation for sustainable manufacturing performance. The event will also include presentations from TPM Award-winning companies on their actual initiatives and achievements, offering a valuable opportunity to gain benchmarking insights that can be applied across diverse industry sectors.
The Plant Tour will take you to **Bajaj Auto Limited Pantnagar Plant**—a company that has implemented advanced TPM practices and is a winner of the TPM Advanced Special Award. Their high-level operations are sure to provide both learning opportunities and inspiration.

[Lecturers Information]
